Chinese Shandong to build motorway section in Bosnia's Serb Republic

Bosnia's Serb Republic entity is saying that it approved a contract with Chinese company Shandong International Economic & Technical Cooperation Group for the construction of the Banja Luka-Prijedor motorway section. The Serb Republic's government also approved a concession contract with the Chinese company for the operation of the Banja Luka - Prijedor - Novi Grad motorway. The concession contract will have a duration of 33 years, including the period for the construction of the motorway. The Chinese company will pay an annual fee equal to 5% of the road toll revenue plus a one-off fee of EUR 4.467 million. The Banja Luka - Prijedor highway will be about 42 km-long and will include seven tunnels and 35 bridges plus infrastructure for toll collection system with three stations, as well as a system for traffic safety management and control.

Shandong's First Conference of Great Business Partners (CGBP 2018) opens the door to new opportunities

- Shandong global promotion event hosted by the Ministry of Foreign Affairs in Beijing on September 20, the First Conference of Great Business Partners (CGBP 2018), with the theme of "New Era, New Vision, New Energies, New Confucian Entrepreneurs," took place in Jinan, the capital city of Shandong Province, from September 28-30.
- The events have presented the province to the global audience as a land with a long history and splendid culture, as well as a land with a great strength of reform and innovation.
- CGBP 2018 is significant in that Shandong is opening its door wider to embrace the world. The theme of the conference implies that Shandong is constructing a modern industrial system to inject new impetus into high-quality development and promote integrated development of new industries, aiming at a modern, innovative and powerful province.

- **Serbia signs investment agreements with China's Shandong Linglong, Zijin - finmin**

Singapore looks to boost bilateral investments, trade with Shandong

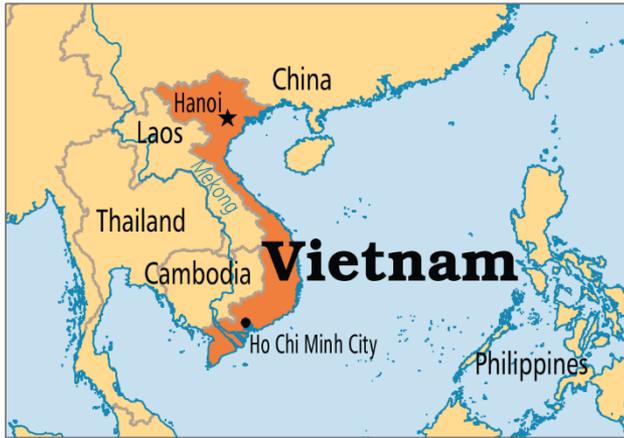

- Singapore and the eastern Chinese province of Shandong will explore ways to increase bilateral investments and trade as well as investment cooperation under the Belt and Road Initiative at their annual business council meeting later this year.
- They also discussed investment cooperation in third countries under the Belt and Road Initiative to build infrastructure along trade routes between China and Europe, and set up people-to-people exchanges between Singapore and Shandong, such as training programmes, internship opportunities and student exchanges.

Total bilateral trade between Singapore and Shangdong last year was 17.93 billion yuan (S\$3.74 billion), with actual investment totalling 7.49 billion yuan, according to Enterprise Singapore

HCM City signs China trade deal

- HCM City and China’s Shandong Province aim to facilitate bilateral trade by holding more networking events, encouraging investments between both sides, and signing a Memorandum of Understanding (MoU), promising more support in the future.

- “The province considers Việt Nam to be one of the most important business partners in ASEAN. In 2017, bilateral trade between Shandong and Việt Nam was around \$5.5 billion,”
